This home has been lovingly maintained and updated by its owners, who are now reluctantly selling. Watch the property video to see just how special this house is.

Three double bedrooms upstairs share a glamorously renovated bathroom, while the downstairs parents retreat has its own ensuite, built in wardrobes and glorious bush views from its private deck.

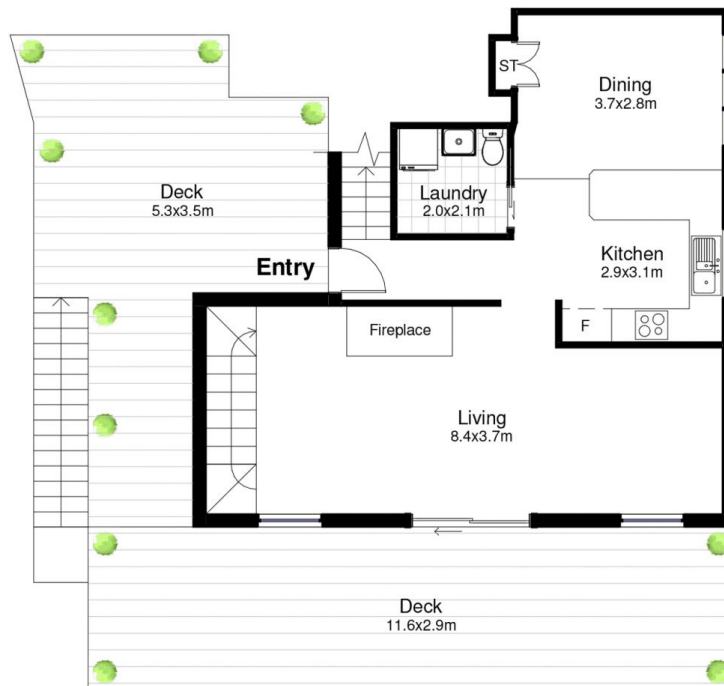

The living areas are all open plan with a modern kitchen and dining room leading to a comfortable lounge and a deck just perfect for enjoying the sunset while entertaining friends.

Kids will love adventuring around the huge block of land, and green thumbs can garden to their heart's content.
